

Master Program in Sustainable Food System								
II YEAR - II SEMESTER 2025-2026								
ROOM LING Mascabruno Complex								
	02/03/26	03/03/26	04/03/26	05/03/26	06/03/26			
	Monday ROOM LING	Tuesday	Wednesday ROOM LING	Thursday	Friday	Courses	hours	Lecturer
09-10	Microbiome applications for sustainability		Microbiome applications for sustainability			Microbiome applications for sustainability	4	Ercolini
10-11	Microbiome applications for sustainability		Microbiome applications for sustainability			Sustainable food processing and packaging	4	Torrieri
11-12	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
12-13	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
13-14							0	
14-15							0	
15-16								
16-17								
17-18								
	09/03/26	10/03/26	11/03/26	12/03/26	13/03/26			
	Monday ROOM LING	Tuesday	Wednesday ROOM LING	Thursday	Friday	Courses	hours	Lecturer
09-10	Microbiome applications for sustainability		Microbiome applications for sustainability			Microbiome applications for sustainability	8	Ercolini
10-11	Microbiome applications for sustainability		Microbiome applications for sustainability			Sustainable food processing and packaging	8	Torrieri
11-12	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
12-13	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
13-14							0	
14-15							0	
15-16								
16-17								
17-18								
	16/03/26	17/03/26	18/03/26	19/03/26	20/03/26			
	Monday ROOM LING	Tuesday	Wednesday ROOM LING	Thursday	Friday	Courses	hours	Lecturer
09-10	Microbiome applications for sustainability		Microbiome applications for sustainability			Microbiome applications for sustainability	12	Ercolini
10-11	Microbiome applications for sustainability		Microbiome applications for sustainability			Sustainable food processing and packaging	12	Torrieri
11-12	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
12-13	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
13-14							0	
14-15							0	
15-16								
16-17								
17-18								
	23/03/26	24/03/26	25/03/26	26/03/26	27/03/26			
	Monday ROOM LING	Tuesday	Wednesday ROOM LING	Thursday	Friday	Courses	hours	Lecturer
09-10	Microbiome applications for sustainability		Microbiome applications for sustainability			Microbiome applications for sustainability	16	Ercolini
10-11	Microbiome applications for sustainability		Microbiome applications for sustainability			Sustainable food processing and packaging	16	Torrieri
11-12	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
12-13	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
13-14							0	
14-15							0	
15-16								
16-17								
17-18								
	30/03/26	31/03/26	01/04/26	02/04/26	03/04/26			
	Monday ROOM LING	Tuesday	Wednesday ROOM LING	Thursday	Friday	Courses	hours	Lecturer
09-10	Microbiome applications for sustainability		Microbiome applications for sustainability			Microbiome applications for sustainability	20	Ercolini
10-11	Microbiome applications for sustainability		Microbiome applications for sustainability			Sustainable food processing and packaging	20	Torrieri
11-12	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
12-13	Sustainable food processing and packaging		Sustainable food processing and packaging				0	
13-14							0	
14-15							0	
15-16								
16-17								
17-18								
	06/04/26	07/04/26	08/04/26	09/04/26	10/04/26			
	Monday ROOM LING	Tuesday	Wednesday ROOM LING	Thursday	Friday	Courses	hours	Lecturer
09-10						Microbiome applications for sustainability	20	Ercolini
10-11						Sustainable food processing and packaging	20	Torrieri
11-12							0	
12-13							0	
13-14							0	
14-15							0
